The student of today—

Someone truthfully said, "It's no disgrace to be born poor, but continued poverty indicates lack of energy and ambition."

Merchant Prince of tomorrow

There are too many young folks today who are satisfied with themselves—they're usually the one's with whom no one else is satisfied.

We should always be growing, Growing, GROWING, both in brain and brawn.

Otherwise, we might as well sit down and wait for the time to come when our near and dear ones will lay us under the sod, shed a few tears, and then forget us.

Does this kind of reading annoy you?

If it does it must be because you are not exactly what you ought to That is all the more reason why

you should read on. Maybe you "have not had a

chance. Maybe you have "made a bad

It is true that some of us started with more advantages than others, but vou must admit that we all live in the same world, and that the same wor \ owes us all a good living.

It's up to us to make our own "collections."

Now, none of us were born better collectors than others.

If you are one of the many who are not "making good," "have not had a chance," or "made a bad start," NOW COMES YOUR OPPORTUNITY to take the straight, safe, and sure road to Success.

This is an age of opportunitiesevery day, every hour, offers newer and greater ones.

Right here in Washington there are hundreds, yes, thousands of high-salaried positions open to young men and women who can fill them-AND THE DEMAND EX-CEEDS THE SUPPLY.

Remember, it's only foot of the ladder of Success that's crowded-those at the top say there's plenty of room there.

The merchant princes of tomorrow are "in the making" in the business college students of today.

Strayer's Business College conducts an employment department and procures good positions for every one of its graduates.

Call or write today for "The Proof," an interesting little booklet that tells why Strayer's Business College is the best institution of its kind, and shows fac-simile letters from prominent business men that prove its claims.

Day and Night Schools are now open, and you can enter at any time-but remember, "there's no time like the present."
